8	Seed growers belonging to SC/ST category:- The certification charges will be borne by the Corporation subject to production of valid certificate from seed growers belonging to SC/ST category This will be applicable to all catagories of farmers of North Eastern States.		
9	Procurement price proposal should reach at HO with in 15 days from the last date of policy period.		
10	Sale price of planting material to NSC seed growers will be calculated on total direct cost + over heads + Rs.25/- per qtl. for CS-I Rs 100/- per.qtl. for FS & Rs 250/- per. qtl. for BS.*		
11	Sale price of planting material to Organizer or Private Seed Companies shall be calculated on total direct cost + over heads + 5% for CS-I & 10% for FS.*		
12	In case of foundation seed production programme allotted not meeting F/S standard but meeting C/S standard in such cases seed can be procured as C/S subject to written request of seed growers and PP will be C/S category. The seed lots recorded substandard in GOT will not be procured by NSC. The descretion of procurement of such seeds will be with NSC.		

13	The seed growers have to lift empty gunny bags within 15 days from the date of written information. In case empty gunny bags are not lifted in scheduled time penalty of Rs.10/- per bag will be deducted from his payment and no gunny bag rebate will be paid to the grower. In this case no gunny bags will be returned to the growers after due date and corporation will be free to dispose off.
14	The following seed growers will be black listed to ensure the targeted seed production, to maintain the seed quality. In future no seed production programme will be allotted to them.
	(a) not tendering of raw seed from seed production programme.
	(b) Selling of seeds to others from NSC production programme.
	(c) off type plants more than the standards and reporting substandard by QCL/ STL continuously twice.
15	Advance payment will be made by RMs @ 80% of average of highest APMC rate at the time of intake and given for 100% of quantity. The advance payment rate will be decided by Regional Office Committee strictly on this basis. Any deviation or payment of higher advance shall be the sole responsibility of AAO (Accts.) and RM is liable for disciplinary action. Further relaxation may also be allowed to RMs to decide deviation in advance payment policy based on market conditions and ground level exigencies subject to the condition that advance payment shall not exceed the procurement rate policy and entire advance payment shall be recoverable/adjustable vis-a-vis final procurement rate fixed as per policy and equal responsibility lies on concerned Area Manager, In-charge (Prodn) of the Region and Regional Manager in case of non-recovery of advance payment.
16	Minimum seed production area to be allotted to seed grower will be as per SSCA norms.
17	Procurement of F/S and C/S more than the estimated yield will be subject to HO approval.
18	RM may decide the procurement price Area office wise or statewide or regionwise.
19	Last date for acceptance of raw seed will be the cut off date for acceptance of raw seed fixed by SSCA or 10 days from the cut off date of sealing.
20	No RO Staff/ Area Manager/ Regional Manager has powers to commit the rates other than policy either orally or in writing.
21	Agreement should be made with direct Growers only, who are registered with SSCA under NSC production program. Agreements are not to be made with any sort of Main Growers/ facilitators and any such action shall be treated as gross mis-conduct and RM and AM/ Incharge RO/ AO shall be solely responsible for the same and subjected to disciplinary action.
