

**NATIONAL SEEDS CORPORATION LIMITED**  
**HEAD OFFICE**

No: IT/BP-UGD/20/NSC/2018-19

Dated 04.10.2018

**CIRCULAR**

Refer the presentation made by IT Division / Ms. Amity Software Systems Ltd., during the RMC on the proposed ERP Implementation in NSC. As clarified , the corporation has initiated action for total computerization by implementation of ERP system (Web Based Software Application with QR Code & Mobile app.) This system will include the complete supply chain of Seed along with advanced feature of QR Code & Mobile app. for crop monitoring. The areas broadly covered in the application are Seed Production & Planning , Marketing ,Quality Control , Inventory Management ,Finance & Accounts , Projects & Engineering and HR Management. The work has already been awarded to **M/s Amity Software Systems Limited with a time bound manner of 9 Months .**

As intimated in RMC , the team (Amity & NSC-IT Cell) will interact with the Core group/Nodal officers/ HOD's / Regional Managers/Farm Directors along with all the associated members to study the system requirements and information flow. This study will be conducted at HO along with Farms/RO's & AO's and will be completed within 2 Months time. A requirement specification report known as "**SRS**" (**Software Requirement Specification**) document will be frozen within two months. The HOD's /RM's & Farm Directors are required to actively participate in the system study and confirm the system flow. The system will be designed as per the SRS document. The HOD's /RM's & Farms Directors are also required to designate a nodal officer from their department for day to day monitoring of the system progress and get the desired reports from the system . As clearly mentioned by CMD in the RMC , it is the responsibility of HOD's /RM's & Farm Directors , that a complete flow of all the activities covering their area ,to be prepared in advance along with all interlinked activities of automatic generation of invoices ,formats, reports, graphs, returns etc., and the same to be provided /discussed with the team (AMITY & IT CELL).**The HOD's shall be individually responsible for covering all areas and successful implementation of their modules /concerned areas.** The implementation schedule must be strictly followed and fortnightly progress should be reported to undersigned.
