CIRCULAR No. 2

Subject: Latest Development in Goods & Services Tax (GST).

The Department of Revenue, GOI has brought out a corrigendum dated 27.07.2017 to the Notification No. 2/2017-Integrated Tax(Rate) dated 28.06.2017 whereby it has included all seeds of good quality falling under Chapter-7 & 10 along with 9, in the zero per cent rate list. Chapter-7 deals with vegetables and Chapter-10 deals with cereals. All other seeds were earlier falling under zero per cent GST as per Chapter-12 and Chapter-9. Hence, all seeds of good quality now fall under 0% rate for GST. Invoices may be raised accordingly. A list of HSN Codes is also being uploaded on the website. Four digit HSN Codes have to be used in the Invoices, MT Invoices etc.
