CIRCULAR

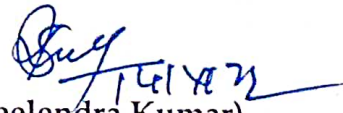

**Subject: Advisory regarding hiring of certified skilled workforce by CPSEs/CPSUs and its service providers under skill India - reg.**

In reference to the initiative of Govt. of India for Skill Development and to universalize skilling of workforce, all Department/Divisions of NSC, Regional Offices, Farms, Area Offices etc are hereby requested to initiate following steps:

1. Incorporate in all RFPs and tenders the mandatory requirement of formally certified skilled workforce or commitment by the bidders/service providers to the effect that they would ensure that all their workers would be skilled through Recognition of Prior Learning (RPL) within two month from the date of commencement of work under the project, at the cost of the service provider/vendor.
2. This also includes a dedicated drive by existing service providers (contractors, vendors, supply chains, dealership, franchises, distribution outlets, affiliates etc.) which are already associated with the CPSUs for carrying out RPL in mission mode for their existing skilled workers who are working without any formal certification.

Further, in respect of National Seeds Corporation Ltd. the competent authority has nominated Sh. Gulbir Singh Panwar, Dy. GM (MM)/HOD MM Division as Single Point of Contact (SPOC) with Ministry of Skill Development, Govt. of India to support and facilitate the implementation of the above initiative / action points.

This issues with the approval of the competent authority.
