GENERAL RULES AND GUIDANCE FOR INVITING OF TENDER

- 1 The tenders are being invited by Regional Manager, National Seeds Corporation, Secunderabad
- 2 The contractor should read the specifications carefully before submitting tender.
(If the tender has been downloaded from the web-site the cost of tender shall be deposited or else tender shall be rejected.)
- 3 The earnest money of Rs.15,000/- should accompany the tender in the shape of DD drawn on SBI or any Nationalized Banks payable in favors of NSC Limited, Secunderabad. Tenders without **EMD** are liable for rejection.
- 4 The tenderer will be required to furnish Income Tax Return for the last 2 year and Registration No. of SST/CST/VAT, ESI and PF before the work is allotted to him.
- 5 Sales- tax, purchase tax, service tax, work contract tax ,VAT or any other tax applicable on material in respect of this contract shall be payable by the contractor and no claim whatsoever in this respect will be entertained
- 6 The rates quoted by the contractor is item rate tender and the same will be taken as correct and not the amounts worked out by them.
- 7 The contractor should quote the rates in figures as well as in words and amount tendered by him. The amount for each item should be worked out and the requisite the total given. Rates should be written in words closely followed by figures and it should not be written in the next line.
- 8 Time allowed for carrying out the work will be Two Months.
- 9 Tenders shall be received on 25/01/2016 up to 12.00 hours and will be opened on same day at 12.30 hours at above mentioned address in presence of tendered who wish to attend.
- 10 Tender should remain open for acceptance for a period of 90 days from the date of receipt of tender. If any tendered withdraws his tender before the said period or makes any modification in the terms and conditions of the tender which are not acceptable to the department, then the corporation shall, without prejudice to any other right or remedy, be at liberty to forfeit the earnest money as aforesaid.
- 11 Tenders which do not fulfill all or any of the above conditions or incomplete tenders in any respect are liable to be summarily rejected.
- 12 The tenders containing unsealed remarks or any additional conditions are liable to summarily rejection.
- 13 Mobilization advance shall not be applicable.

- 14 In the case of any tender where unit rate of any item /items appear unrealistic and imbalance and in case the tenderer is unable to provide satisfactory explanation, such a tender will be liable for rejection.
- 15 The contractor should visit the site and shall satisfy himself to the conditions, the accessibility of site, the full extent and character of operation, the nature of the ground and supply conditions affecting lay out execution of the contract generally. No claim on the ground for want of knowledge in such respect will be entertained.
- 16 Water & Electricity for work of what so ever purpose related to the work will be arranged by the contractor.
- 17 Change in the terms and condition or the specifications, or schedule of completion shall not be accepted such conditional tenders shall be liable for rejection.
- 18 Cutting/overwriting in the offer must be avoided as may be lead to cancellation of Tender. However in the case of any cutting, it should be authenticated by signature of the tenderer concerned.
- 19 The rates shall be inclusive up to all heights, materials, labours, tools & plants and taxes etc. as per site condition.
- 20 The final payments will be released on submission of bill.
- 21 Mixing of cement concrete and cement mortar shall be done by means of mechanical mixer. The cement concrete laid shall be mechanically vibrated by means of mechanically operated vibrators. The rates quoted shall be inclusive of these operations and no extra payments shall be made.
- 22 The receipt of clerk for any money paid by the contractor will not be considered as any acknowledgement or payment to the National Seeds Corporation and the contractor shall be responsible for seeing that he procures a receipt signed by the Accountant/Engineer or a duly authorized Cashier.
- 23 The contractor shall give a list of NSC employees related to him.
- 24 The contractor should verify all elevations shown in the drawings and in case of doubt, obtain required particulars which may in any way influence his tender from the Engineer as no allowance whatsoever will be made beyond the contract for any alleged ignorance thereof.
- 25 The site shown in the layout plan shall be cleared of all obstructions, loose stone, materials, rubbish of all kind. All holes of hollows whether originally existing or produced during clearance shall be carefully filled up with earth, well rammed, leveled off, as directed.
- 26 The successful tenderer shall deposit performance Bank guarantee/DD @ 5 % of accepted value of work within 15 days of letter issued in this regard.

- 27 The performance guarantee shall be refunded to the contractor after 60 days from the date of completion of work and recording of the completion certificate.
- 28 Defects arising during the defect liability guarantee period if any shall be rectified by the party free of cost within fortnight as and when brought to the notice in writing or telephonically.
- 29 The contractor's responsibility for this contract shall commence from the date of issue of order of acceptance of tender.
- 30 The contractor shall maintain and produce all records when called for, related to relevant Acts concerning labour engaged and construction.
- 31 'No' negotiation is envisaged even with a lowest party except under exceptional situations
- 32 The Corporation shall have the right of rejecting all or any of the tender without assigning any reason whatsoever and will not be bound to accept the lowest tender or any of the tender.

33 **ARBITRATION:-**

The arbitration on this tender shall be governed by the following conditions:-

Except where otherwise provided for in the sub contract all questions and disputes relating to the meaning of instructions herein before mentioned or as to any other question, claim, right matter of anything whatsoever, in any arising out of or relating to the sub contract, specification, estimates, instructions, orders or these conditions or otherwise concerning the works, or the execution or failure to execute the same whether arising during the progress of the work or after completion or abandonment thereof or any matter directly or indirectly connected with this agreement shall be referred to the sole arbitration of the Managing Director of NSC and if the M.D is unable or unwilling to act as such, then the matter shall be referred to sole arbitration of such other person appointed by the M.D. NSC willing to act as such arbitrator. There will be no objection, if the Arbitrator, so appointed is an employee of NSC provided that the person shall not have been directly connected with the execution of the work of the project. In case the arbitrator so appointed is unable to act for any reasons. Managing Director, NSC in the event of such inability shall appoint another person to act as Arbitrator in accordance with the terms of the sub contract. Such person shall be entitled to proceed with the reference from the stage at which it was left by his predecessor. It is also a term of this contract that no person other than a person appointed by Managing Director, NSC as aforesaid should act as Arbitrator.

Subject as aforesaid the provision of the Arbitration Act, 1940 or any statutory modification or reenactment thereof and the rules made there under and for the time being in force shall apply to the arbitration proceeding under this clause. It is a term of the sub contract that the party seeking arbitration shall specify the dispute to be referred to arbitration under this clause together with the amount or amounts claimed in respect of each dispute(s). The arbitrator may from time to time with the consent of the parties enlarge the time for making and publishing the award. The work under the sub contract shall nevertheless continue during the arbitration/proceedings. The Arbitrator shall be deemed to have entered on the reference on the date he issues notice to both the parties fixing the date of the first hearing. The Arbitrator shall give a separate reasoned award in respect of each reference referred to.

The ward of the arbitrator shall be conclusive and binding on all parties to this contract.

34. CONTRACTORS TO INDEMNIFY GOVT. AGAINST PATENT RIGHTS

The contractor shall fully indemnify the Employer against any action claim or proceeding relating to infringement or use of any patent or design or any alleged patent or design rights and shall pay any royalties which may be payable in respect of any article or part thereof included in the contract. In the event of any claims made under or action brought against Employer in respect of any such matters as aforesaid the contractor shall be immediately notified thereof and the contractor shall be at liberty, at his own expenses, to settle any dispute or to conduct any litigation that may arise there from. Provided that the contractor shall not be liable to indemnify the Employer if the infringe of the patent or design or any alleged patent or design right is the direct result of an order passed by the Engineer in this behalf.
