Branch Manager
Insurance Company

Sub: **QUOTATION FOR INSURANCE OF FIXED ASSETS AND STOCKS**

Sir,

We have to obtain insurance of our stock of various Agricultural Seeds and Certification, Packing and treatment material kept in our various owned or hired Godown located throughout India. List of Godown / Locations is provided separately. List of hired godown may vary due to additional hiring or d-hiring. The sum insured will be Rs. 100.00 Crores for (i) Fire and Allied risks and (ii) Burglary and Allied risks. The policies would be based on declaration and on floating basis i.e. without mentioning the quantum of stock Godown wise. However, complete record is maintained at each godown.

Insurance cover would also include the stock of Raw Seed which although belongs to Growers but it is held by NSC as a Trustee pending processing and ultimate procurement thereof after the same meets the certification standards. Percentage of such Raw Seed stock to the entire seed stock is around 15% and NSC claims to have interest therein, in view of advance paid there against to the Growers at the time of intake of Raw Seed.

NSC also wants separate Insurance Policies for Fire and Allied risk in respect of its Fixed Assets i.e. Building, Plant & Machinery, Furniture & Fixture and Office Appliances including Computers located throughout India and presently value Rs. 47.79 Crores. Separate quantum of premium for this Policy may also be given.

We would accordingly request you to quote the amount of premium chargeable inclusive of all for undertaking such insurance of Stock and Fixed Assets separately for aforesaid two policies. The insurance period would be for a period of one year. The management reserves the right to increase or decrease this value of policy and reject any quotations which is to be submitted in sealed covers addressed to undersigned latest by 11th July, 2013 (upto 15.00 hour). The quotation is to be submitted in the Formats enclosed herewith.

Thanking you,

Yours sincerely,

(Sanjay Kumar Mehta)
