Dy.General Manager (P)

TERMS AND CONDITIONS.

Since the Material is required for immediate use, The supplier should ensure the delivery of material within 3 days after the issue of supply order

1. Price quoted should be inclusive of all taxes, including door delivery up to Farm
2. The chemical should be supplied immediately on receipt of the supply order.
3. It is, requested and agreed by the supplier that 3 joint samples will be drawn after receiving at the farm in presence of the representative of supplier(if desired by the party). One sealed sample will retained by the supplier and the purchaser and third sample will be sent for analysis.
4. The payment will be released immediately after receipt of satisfactory analytical report from the laboratory.
5. In case if the chemical is not meet the standard, the same has to be taken back by party on own coast. The testing charges are to be borne by the farm.
6. The price should be quoted in accordance with the packing size i.e. 20, 5 and 1 ltr.Kg and also by indicating the company name, however we prefer bigger packing.
7. Rates quoted are valid for one month.
8. Validity of chemical should be minimum one year.
9. Material supplied should be either from one lot or minimum number of lots.

Yours faithfully

Marketing Officer
