

NATIONAL SEEDS CORPORATION LIMITED
(A GOVT. OF INDIA UNDERTAKING)
BEEJ BHVAN, PUSA COMPLEX,
NEW DELHI-110012

No.13/NSC-Engg./HO/2015-16

23rd Sept.2015

NOTICE FOR QUOTATION

National Seeds Corporation is engaged in production and Marketing of agriculture seeds & working under administrative control of Ministry of Agriculture & Farmer Welfare, Govt. of India. NSC is also having Agriculture Farms of Approx. 22000 ha. area in Rajasthan, Haryana, Karnataka and West Bengal. NSC is interested to install a Solid waste Management Unit for Production of compost in its Farm in Hissar(Haryana). Collection of Municipal Solid Waste is currently done by Local Municipal Authorities and is of the tune of 100 TPD (approx.). For setting up of the plant, NSC requires to submit a Detailed Project Report(DPR) to the Authorities which shall be prepared by Consultant/Firm having similar experience in the area for installation of Solid Waste Management unit plant in India.

NSC now invites technical and financial offer in sealed cover from eligible consultant/ Firm having experience in providing consultancy to prepare DPR as regards to setting up Municipal Solid Waste Management Unit at Hissar by 6.10.2015, 3.00 p.m. The sealed offer would be opened by a Committee at 3.30 p.m. on the same day.
