7. **WARRANTY**

- (i) The supplier shall warrant that goods to be supplied under this contract shall be free from all defects and faults in material, workmanship and manufacture and shall be of the highest grade and consistent with the established and generally accepted standards for materials of the type of equipment ordered and in full conformity with the contract specifications and drawings or samples, if any, and shall operate properly and satisfactorily.
- (ii) Supplier shall provide guarantee for the satisfactory performance of the equipment in accordance with the specifications and norms fixed by the Corporation for minimum period of 12 calendar months from the date of commissioning..
- (iii) The supplier's responsibility in respect of any complaints, defects or claims shall be limited to supply and installation or replacement of parts free of charge or the repair of defective parts only to the extent that such replacement or repairs are attributable to or arise from faulty workmanship or material or design in the manufacture of the equipment provided defects are brought to the notice of the supplier within 3 months of their being first discovered during the warranty period and in no case after one month from the date of expiry of warranty period. The warranty period for replaced parts will extend to 12

months from the date of replacement as envisaged by the warranty clauses in this agreement in respect of original supply.

- (iv) The supplier shall, if required, replace or repair the goods or such portion thereof as is rejected by the Corporation/ Purchaser free of cost at the ultimate destination or at any other place or at the option of the Corporation/Purchaser. The supplier shall pay to the Corporation/Purchaser the value thereof at the contract price and such other expenditure and damages as may arise by reason of the breach of the conditions herein specified.
- (v) All replacements and repairs that the Corporation/Purchaser shall call upon, the supplier to deliver or perform under this warranty, shall be delivered or performed by the supplier within 15 days (promptly and satisfactorily) failing which the performance guarantee bonds shall be extended by the supplier till such time all the claims are settled to the satisfaction of the purchaser. If the supplier desires to take over the defective parts, it shall be done within 15 days from the date of replacement. Thereafter, purchaser shall not be responsible to keep the defective parts.
- (vi) The warranty herein contained shall not apply to any material which shall have been repaired or altered by the Corporation/Purchaser or on his behalf in any way without informing the supplier in advance. If, however, any such repair does not affect the strength, performance or reliability, the warranty shall continue to apply. Any defect caused to any party due to misuse, negligence or accident will not be covered by warranty.

8. LIQUIDATED DAMAGES

Time of delivery stipulated in the contract is the essence of the contract. It is admitted by the supplier that any delay in the delivery will cause damages to the Corporation/Purchaser, the supplier hereby agrees that the Corporation/Purchaser shall suffer damages at the rate of 2% for each fort night or part thereof by which delivery is delayed subject to maximum of 10% and it shall be deemed to be the actual damage suffered by the Corporation/Purchaser. The supplier undertakes that if it fails to have the equipment delivered at site by the time specified in the order for supply, the supplier shall become liable to pay damages at the above rate and shall continue to incur liability to pay damages as the delay increases. The Corporation may withhold any payment due to the supplier until the whole of the equipment have been fully supplied and delivered and may deduct or recover from the supplier liquidated damages as stipulated above.

9. DEFAULT AND RISK PURCHASE

- (i) Should the supplier fail to have the store ready for delivery as aforesaid, or should be supplier in any manner or otherwise fail to perform the contract or should it have receiving order made against it or make or enter into any arrangements or composition with its creditor, or suspend payment (or being a company should enter into liquidation either compulsory or voluntary) the Corporation shall have power under the hand of the Chief Executive, to declare the contract at end at the risk and cost of the supplier in every way. In such case supplier shall be liable for any liquidated damages for delay as above provided and for any expense, losses or damages which the Corporation/Purchaser may be put to incur or sustain by reason of, or in connection with supplier's default.
- (ii) The cancellation of the contract may be either for whole or part of the contract at Corporation's option. In the event of the Corporation terminating this contract in whole or in part, they may procure upon such terms and in such manner as they deem

appropriate, supplies or services similar to those so terminated and the supplier shall be liable to the Corporation for any excess cost for such similar supplies or services provided that the supplier shall continue the performance of this contract to the extent not terminated under the provisions of this clause.
