Of India) for the quoted item under single point registration scheme are exempted from payment of cost of tender document subject to furnishing documentary proof in support of their claim along with their request.
6. NSC reserves the right to accept or reject any one or all the tenders without assigning any reason.

General Manager (Engg)

PART- A

Section-1

INSTRUCTIONS TO TENDERERS

1. The tenderers are advised in their own interest, to carefully read the tender document and understand their purport and unless the tenders specifically states to the contrary in respect of any particular clause, it shall be presumed that he accepts all the terms & conditions as have been laid down in the tender documents.
2. Tender must be submitted in the tender form provided in Section-III of 'Part A' of the tender document. The tenderer may attach additional sheets to the tender form wherever detailed description is necessary.
3. Erasure or alteration in the bid documents should be avoided. Modification, erasure, or alteration, if any, should bear the signatures of the person signing the bid along with stamp of the tenderer. Any modification not so signed shall be ignored and the whole tender may be treated as void on this ground.
4. In case the specifications of any offered equipment deviates from the specifications laid down in the tender form, the tenderers should describe as to in what respect and to what extent the equipment offered by them deviates from the specifications, even though the deviations may be minor.
5. The tenderers should enclose with their offers descriptive catalogues, leaflets and engineering drawings supplementing the description and point out any special features/advantages of their equipment quoted. All the literatures, leaflets engineering drawings etc. should be in English or accompanied by English translation in case the language is other than English. This should be adhered to, strictly to enable objective evaluation of offers.
6. Tenderers should also enclose with their offers the test reports from any recognized agency with respect to their equipment. In case the equipment do not have any test report, the tenderers may furnish the list of actual users of the equipment for reference.
7. The tenderer should indicate the following separately in summary form:
 - (a) Accessories and fittings which are standard with the equipment as well as such of the accessories/fittings which though not considered standard, are included in the scope of supply and included in the bid price.
 - (b) Accessories/fittings which may occasionally or frequently be required but have been specifically excluded by the tenderer from the scope of supply and should quote their price separately.
8. The list of spare parts of individual item required for various equipment to be supplied free of cost should be submitted separately alongwith the offer. It should include such quantity of spare parts as is required for smooth running of the equipment for 12 months from the date of commissioning.
9. **QUOTATION OF PRICES**

Tenderer shall give a final and net per unit price free from all escalations. Request for change in price will under no circumstances be considered after opening of the tender. For the purpose of comparison and evaluation of bids the tenderers are required to quote their rate equipment wise/ item-wise and capacity-wise as indicated in the Section-I of 'Part B' i.e. technical specification of the tender document and should be given strictly in

the manner as indicated in the Annexure 'B' of Section-III of Part 'A' of the tender document.

10. Printed Terms & Conditions of Tendering Firm.

Printed terms & conditions of the bids shall not be considered and the same shall not be binding or become part of the contract unless any of such terms is specifically laid down by the tenderer and accepted by the Corporation in writing. Except to the extent stated above, it will be deemed that the printed terms & conditions of the tendering firms have been rejected by the Corporation.

11. Earnest Money

Tenderers are required to deposit Rs.6.00 Lakhs as earnest money with the Corporation in any of the following manner;

- a) In Cash: This should be deposited in Cash directly with the Accounts Officer, National Seeds Corporation Limited, Beej Bhawan, Pusa Complex, New Delhi-12. The copy of the receipt obtained from the Corporation should be attached with the tender.

OR

- b) By means of Demand Draft drawn on SBI Group of Banks or any Nationalized Bank payable in New Delhi/Delhi, in favour of the NSC Ltd. **CHEQUE WILL NOT BE ACCEPTED.**

EMD shall be kept in the envelop containing in the Technical bids.

-) Exemption of earnest money deposit for Indian manufactures which are MSME (Micro , Small or Medium Enterprises) registered with District Industries Center (Govt Of India) under single points registration scheme . Indian manufacturers/suppliers who are MSME units and registered with District Industries Center (Govt Of India) under single point registration scheme are exempted from payment of earnest money deposit provided photo copy of registration under the single point registration scheme for the quoted stores is enclosed with the offer and their request .

12. Submission of tender

The tender should be prepared in two sealed envelopes containing 'Technical Bid' and 'Financial Bid'. The envelopes should be superscribed respectively as 'Technical Bid' and 'Financial Bid' and shall indicate name and address of the bidder and addressed to the purchaser. The technical and financial information should be strictly as per the format given in annexure 'A' 'A1' and annexure 'B' in Section III of Part 'A' of tender document. The above mentioned two envelopes be then placed in an envelop and sealed. Outer envelop shall be superscribed as 'Tender for Seeds Processing and Related Equipment due for opening on _____. Outer envelop shall be addressed to the Purchasers and shall also contain address of the bidder to enable the bid to be returned unopened, in case it is received late.

13. Opening of Tender:

The tenderers or their authorized representatives may attend at the time of opening of the tender, if they so desire. The envelop containing the 'Technical Bids' shall only be opened on the day of opening of tender. The 'Financial Bid' shall be opened subsequently at an appointed date and time which shall be intimated to the tenderers.

14. Agreement:

The successful tenderer shall, within 15 days of having been called upon by notice to do so, be bound to execute a formal agreement as per the format given in Section-V of Part 'A' of the tender document, wherever the value of equipment ordered is more than Rs.1,00,000.00 (Rupees One Lakh). The terms & conditions contained in Section-II of Part 'A' of the tender document will be construed to be part of the agreement. Any variation in the terms & conditions as may be suggested by the tenderer and accepted by the Corporation will be specifically mentioned in the agreement. The cost of stamping for agreement should not be less than Rs.100/- which shall be borne by the successful tenderer.

15 Refund of Earnest Money:

A. Unsuccessful Tenderers

In case of unsuccessful tenderers who do not withdraw their offers before the receipt of final decision, the earnest money, if deposited in cash or by means of a Bank Draft shall be returned without interest after the finalization of tenders or after expiry of validity period of the respective offer whichever is earlier, by means of crossed cheque drawn on a scheduled bank in India payable at New Delhi and the Corporation will not be responsible for reimbursing to the tenderers the Bank's commission for encashing the same.

B. Successful Tenderers

After the successful tenderers have completed formalities as stated in Clause-3, Section-II Part 'A' the earnest money deposit shall be refunded to him

16. Forfeiture of Earnest Money :

In the event of a tenderer, whose tender is received within time, withdraws his tender before the receipt of the official decision or a tenderer whose tender has been accepted fails to (I) execute the contract (ii) furnish Security-cum-Performance Guarantee Bond after such acceptance is made known to him, the earnest money deposited by such tenderer shall be forfeited and in the later case the acceptance of the tender shall also be revoked.

17. Validity of Offers

the tenderers shall keep their offers open for acceptance for a period of 90 days from the date of opening of the tender (Tech Bid). In case the last date happens to be a holiday. Offers should remain open for acceptance till the next working day. Tenders with shorter validity, subject to prior sales, immediate acceptance and any such similar conditions are liable to be rejected.

18. Purchase Preference:

The Purchase Preference will be given for the product of Public Enterprises in competition with Private Sector Undertakings as per rule. The Tenderer should;

- i) clearly indicate the Name & Address of the companies on whose behalf, they have tendered.
- ii) give complete details of the company including membership thereof and the membership of the Board of Directors of the Company with full details and Addresses of the Directors of the Company.

19. The Indian agents bidding on behalf of any Foreign Company should be registered with DGS&D and the proof of registration should be furnished with offer. The offer will not be accepted, if proof is not furnished.

20. One agent cannot represent two different foreign suppliers or quote on their behalf in a particular tender.

21. Repeat Order: The validity of the tender shall be extended to a period of six months from the date of placing initial order and it shall be open to the Corporation to place repeat order with the supplier on the same rates and terms and conditions for quantities not more than 50% of the tendered quantity, required during that six months period.

22. All the disputes or differences that may arise in connection with this tender or the interpretation of any of its terms or in any other way related to this tender directly or indirectly shall be referred to arbitration in accordance with the clause relating to settlement of disputes included in Section-II of Part 'A' of tender document. (General terms and conditions of the Contract).

SECTION-II

GENERAL TERMS & CONDITIONS OF THE CONTRACT

1. Transfer and subletting

The supplier shall not sublet, transfer, assign or otherwise part with the contract to any person, firm or Company directly or indirectly, in full or any part thereof without the previous written permission of the Corporation.

2. Indemnity

The supplier shall at all times indemnify the Corporation against all claims which may be made in respect of the said equipment for infringement of any right protected by patent, registration of design or trade mark provided always that in the event of any claim in respect of an alleged breach of a patent registered design or trade mark being made against the Corporation, he shall notify the supplier of the same and the supplier shall be at liberty, but at his own expense, to conduct negotiations for settlement or prosecute any litigation that may arise therefrom. In the even of the Corporation becoming liable to pay any amount on any aofresaid account, the supplier shall make good the amount so payable and the expense incurred in that behalf.

3. Security deposit & performance guarantee.

A. Applicable to bidders who are not SSI Units.

i) SECURITY DEPOSIT

The supplier shall within 15 days after signing the agreement or from the date of issue of purchase order (In case agreement is not applicable) furnish security deposit with the Corporation to the extent of 10% of the contract value towards security for the due fulfilment of the conditions of the contract. The security deposit shall be furnished in any of the following manner.

In Cash: This should be deposited directly with the Accounts Officer, National Seeds Corporation Ltd., Beej Bhawan, Pusa Complex, New Delhi. The money receipt no. obtained from the Cashier shall be informed in writing.

OR

a) By means of demand draft on SBI group of banks or any Nationalized bank payable in New Delhi/Delhi in favour of National Seeds Corporation Ltd. The details of bank draft shall be informed in writing.

- b) By means of Bank Guarantee as per prescribed proforma enclosed under Section-IV of Part-‘A’ of the tender document issued by the State Bank of India or its subsidiaries or any Nationalized Bank at Delhi/New Delhi only. The bank guarantee should be accompanied by a forwarding letter by the Bank on their letter head. The Bank Guarantee shall be kept valid upto 18 months from the date of issue.

ii) **PERFORMANCE GUARANTEE BOND**

Successful bidders are also required to furnish guarantee bond for performance of the equipment during the warranty period. The guarantee bond shall be to the tune of 10% value of the contract and shall be furnished within 15 days from the date of supply of equipment.

This guarantee bond shall be in the form of Cash or Demand Draft or by means of Bank Guarantee as per proforma attached at Section-IV Part ‘A’ of the tender document. The Bank Guarantee shall issued by the State Bank of India or their subsidiaries or any Nationalized Bank in New Delhi only. The Bank Guarantee should be accompanied by a forwarding letter of the banker on their letter head. The Bank Guarantee shall be kept valid for 18 months from the date of issue.

The security deposit shall not be refunded unless the performance guarantee bond stated above has been furnished. The security deposit shall be refunded after 6 months from the date of successful completion of the contract except the same is retained for non-furnishing of guarantee bond for performance of the equipment.

The balance 10% payment (5% in case of SSI Units) shall not be released unless performance guarantee bond is furnished as referred to above.

B. Applicable to bidders who are registered with National Small Industries Corporation under single Point Registration Scheme

- i) Indian manufacturers/suppliers who are small scale units registered with NSIC under single point registration scheme are exempted from payment of security deposit.

ii) **PERFORMANCE GUARANTEE BOND**

SSI Units are required to furnish performance guarantee bond towards performance of the equipment during warranty period. The guarantee bond shall be of 10% value of the contract and shall be furnished within 15 days from the date of supply of equipment. The guarantee bond shall be in the form of cash or demand draft or by means of bank guarantee as per proforma attached at Section-IV of Part ‘A’ of the tender document. The Bank Guarantee shall be issued by the SBI or their subsidiaries or any Nationalized Bank in Delhi/New Delhi. The Bank Guarantee shall be forwarded by the Banker on their letter head.

4. **DELIVERY**

The supplier shall undertake to complete the supply, installation & commissioning of equipment within 90 days from the date of placing of the order. No extension of period beyond 90 days from the firm order or letter of indent shall be allowed to suppliers. The date of issue of GR by consignee unit for date of receipt shall be construed as date of receipt of the equipment for the purpose of receipt of goods. For the satisfactory installation & commissioning purchase certificate from RM/AM will be required.

Place of Delivery: Place of delivery is NSC (various offices of NSC as per Section-II, Part 'B' i.e. 'Destination of supply of equipment' of the Tender Document). Location of supply may change as per actual requirement of NSC at its sole discretion without any extra cost.

5. **INSPECTION**

The supplier shall give atleast 10 days to the Corporation/Purchaser that the supplier is in a position to offer inspection of the equipment. The Corporation/Purchaser or his authorized nominee may carry out inspection at the supplier's works. The expenditure incurred on inspection such as TA&DA shall be borne by the Corporation. However, the supplier shall provide at its own cost all material, equipment, tools, labour and other facilities for carrying out inspection, test or examination which the Corporation/Purchaser or his nominee may consider necessary. In case supplier gives a notice and fails to offer the equipment for inspection on the date fixed for inspection, the expenditure incurred on TA&DA shall have to be borne by the supplier and such failure will not entitle the supplier to ask for any extension in time of delivery.

6. **REMOVAL OF DEFECTS**

If upon inspection, any defects of whatsoever nature, are pointed out by the Corporation/Purchaser or his nominee, it shall be the duty of the supplier to rectify the same as far as they are within the specifications mentioned in the supply order within 2 weeks from the date of communication of defects. The date of receipt after removal of defects will be construed as date of receipt for the purpose of calculating delivery period for the purpose of Clause-4 of Section-II of Part 'A'.

7. **PACKING**

The supplier shall pack the equipment sufficiently and properly to ensure its safe delivery without any loss or injury upto destination.

8. **MARKING**

The supplier shall comply with the requirements of Indian Acts relating to Merchandise and rules made there under as to marking of all the goods supplied. Equipment number

will be written on the top of the two sides of every equipment. Identification number/mark will be informed separately along with the purchase order.

9. INSURANCE

The supplier shall dispatch all the consignments duly insured for all transit risks according to the dispatch instructions given by the Corporation. To avoid complications that may arise at the time of settlement of claims by underwriters for transit losses, the insurance coverage should be arranged by the supplier as under:

- a) In case of indigenous supplier 'all transit risks' insurance shall be arranged commencing from their works to the warehouse of the Corporation/Purchaser.
- b) The supplier is responsible to give safe delivery of the equipment at FOR as per Section-II of Part 'B' of the tender document. For any loss/damages etc. during transit, the supplier shall have to lodge the claim with the insurers and pursue the same till its settlement.

10. SALES TAX/VAT

Where sales tax/VAT is claimed and provided as payable in the supply orders, payment of the same will not be made unless the following certificate is given along with the bill..

“Certified that sales tax /VAT claimed in this bill is legally payable by purchaser and has been paid/will be paid by us to the sales tax authorities. Our CST &ST/VAT registration nos. are _____.

11. WARRANTY

- (i) The supplier shall warrant that goods to be supplied under this contract shall be free from all defects and faults in material, workmanship and manufacture and shall be of the highest grade and consistent with the established and generally accepted standards for materials of the type of equipment ordered and in full conformity with the contract specifications and drawings or samples, if any, and shall operate properly and satisfactorily.
- (ii) Supplier shall provide guarantee for the satisfactory performance of the equipment in accordance with the specifications and norms fixed by the Corporation for minimum period of 12 calendar months from the date of commissioning of equipment or 18 months from the date of receipt of equipment at site, in case of indigenous and 20 months from the date of receipt of equipment at port of discharge in case of imported equipment whichever is earlier.
- (iii) The supplier's responsibility in respect of any complaints, defects or claims shall be limited to supply and installation or replacement of parts free of charge or the repair of defective parts only to the extent that such replacement or repairs are attributable to or arise from faulty workmanship or material or design in the manufacture of the equipment provided defects are brought to the notice of the supplier within 3 months of their being first discovered during the warranty period and in no case after one month from the date of expiry of warranty period. The warranty period for replaced parts will extend to 12 months from the date of replacement as envisaged by the warranty clauses in this agreement in respect of original supply.

- (iv) The supplier shall, if required, replace or repair the goods or such portion thereof as is rejected by the Corporation/ Purchaser free of cost at the ultimate destination or at any other place or at the option of the Corporation/Purchaser. The supplier shall pay to the Corporation/Purchaser the value thereof at the contract price and such other expenditure and damages as may arise by reason of the breach of the conditions herein specified.
- (v) All replacements and repairs that the Corporation/Purchaser shall call upon, the supplier to deliver or perform under this warranty, shall be delivered or performed by the supplier within 60 days (promptly and satisfactorily) failing which the performance guarantee bonds shall be extended by the supplier till such time all the claims are settled to the satisfaction of the purchaser. If the supplier desires to take over the defective parts, it shall be done within 1 month from the date of replacement. Thereafter, purchaser shall not be responsible to keep the defective parts.
- (vi) The warranty herein contained shall not apply to any material which shall have been repaired or altered by the Corporation/Purchaser or on his behalf in any way without informing the supplier in advance. If, however, any such repair does not affect the strength, performance or reliability, the warranty shall continue to apply. Any defect caused to any party due to misuse, negligence or accident will not be covered by warranty.

12. LIQUIDATED DAMAGES

Time of delivery stipulated in the contract is the essence of the contract. It is admitted by the supplier that any delay in the delivery will cause damages to the Corporation/Purchaser, the supplier hereby agrees that the Corporation/Purchaser shall suffer damages at the rate of 2% for each week or part thereof by which delivery is delayed subject to maximum of 10% and it shall be deemed to be the actual damage suffered by the Corporation/Purchaser. The supplier undertakes that if it fails to have the equipment delivered at site by the time specified in the order for supply, the supplier shall become liable to pay damages at the above rate and shall continue to incur liability to pay damages as the delay increases. The Corporation may withhold any payment due to the supplier until the whole of the equipment have been fully supplied and delivered and may deduct or recover from the supplier liquidated damages as stipulated above.

13. DEFAULT AND RISK PURHCASE

- (i) Should the supplier fail to have the store ready for delivery as aforesaid, or should be supplier in any manner or otherwise fail to perform the contract or should it have receiving order made against it or make or enter into any arrangements or composition with its creditor, or suspend payment (or being a company should enter into liquidation either compulsory or voluntary) the Corporation shall have power under the hand of the Chief Executive, to declare the contract at end at the risk and cost of the supplier in every way. In such case supplier shall be liable for any liquidated damages for delay as above provided and for any expense, losses or damages which the Corporation/Purchaser may be put to incur or sustain by reason of, or in connection with supplier's default.

- (ii) The cancellation of the contract may be either for whole or part of the contract at Corporation's option. In the event of the Corporation terminating this contract in whole or in part, they may procure upon such terms and in such manner as they deem appropriate, supplies or services similar to those so terminated and the supplier shall be liable to the Corporation for any excess cost for such similar supplies or services provided that the supplier shall continue the performance of this contract to the extent not terminated under the provisions of this clause.

14. **TERMS OF PAYMENT**

1. All invoices shall be prepared in quadruplicate in favour of National Seeds Corporation Ltd., New Delhi and shall be signed by the Supplier or his authorized agent. Every invoice shall bear a certificate that the **“material covered by the invoices has been inspected by the supplier before delivery and conforms in every way to the contract specifications and is packed in accordance with the contract requirements and further that no invoice has been preferred previously in respect of the articles charged in the particular invoice”**. The invoices shall be sent in duplicate to concerned consignees and two copies to NSC New Delhi.
2. Without prejudice to Clause 10 of Section-II of Part 'A' of the tender document, on receipt of intimation from the supplier that goods are ready for delivery, NSC shall arrange inspection of the goods. Upon approval of the goods, the supplier shall dispatch the goods. 90% of the invoice value would be paid by NSC on receipt of GR note from destination(s) e.g., invoice, packing list, challan etc. under certificate of dispatch. Small scale/ancillary units having single point registration certificate issued by NSIC shall be paid 95% of the invoice value.
3. Balanced 10% or 5 % of the invoice value, alongwith installation and commissioning charges as may be applicable, shall be paid after 30 days of the equipment put under satisfactorily trial and commissioning of the equipment.

15. **SETTLEMENT OF DISPUTES**

All disputes or difference in relation to the contract or the interpretation of any of its terms of implementation thereof or arising out of the or concerned directly or indirectly with the contract shall be referred to the Arbitration of a single Arbitrator to be appointed by the Chairman-cum-Managing Director of the Corporation and in the absence of CMD, highest Executive officer of the Corporation shall make such appointment. The venue of Arbitration shall be New Delhi/Delhi. If for any reason the matter has to be referred to a Court of Law, the Court of Law at New Delhi/Delhi or the Court of Law having its jurisdiction at New Delhi/Delhi only shall have jurisdiction in this matter. The arbitrator(s) shall have power with the consent of the parties to extend the time for making and publishing their award.

16. **CORRUPT GIFTS AND PAYMENTS OF COMMISSION**

Any bribe, commission, gift or advantages given, promised or offered by or on behalf of the supplier, his agents or representatives or anyone on their behalf to any employee, representative or agent of the Corporation/ or any person on his behalf in relation to the

execution of this or any other contract with the Corporation shall, in addition to the criminal liability under the laws in force, subject the supplier's cancellation of this and other contracts with the Corporation, and also to payment to any loss resulting from any such cancellation to the extent as is provided in case of cancellation under Clause No.13 'DEFAULT AND RISK PURCHASE' and the Corporation shall be entitled to deduct the amounts so payable from any money otherwise due to the supplier under this or any other contract.

SECTION-IV
COMPOSITE BANK GUARANTEE FORM IN LIEU OF SECURITY DEPOSIT
AND PERFORMANCE GUARANTEE BOND BY THE BANK

This Bank guarantee executed on thisday of 2006by Bank (hereinafter called the Bank) which expression shall include wherever permissible its successors and assigns in favour of the Chairman-cum-Managing Director, National Seeds Corporation Ltd., Beej Bhawan, Pusa Complex, New Delhi-12 hereinafter called the Corporation which expression includes its successors and assigns at the request of M/s.....(hereinafter called the supplier) which expression shall include his successors and assigns.

“WHEREAS under the terms of supply of equipment etc. under this Corporation’s supply/ Purchase Order NO.....dated Placed with the suppliers, supplier has warranted about the specifications and performance of the equipment supplied under the Corporation’s order’.

OR

“WHEREAS under the terms of the contract for the supply of equipment etc. under this Corporation’s Agreement No.....dated..... entered into between the Corporation and the suppliers, suppliers had warranted about the specifications and performance of the equipment under the contract’.

AND WHEREAS under the terms of the contract the Corporation is entitled to retain 10% of the price of the equipment till 3 months after the period the warranty expires.

AND WHEREAS the supplier is desirous of getting the said 10% price from the Corporation and has agreed to furnish a Bank guarantee in lieu thereof and has undertaken to execute performance guarantee bond backed by the Bank.

AND WHEREAS the bank agreed to give the bank guarantee in lieu of the 10% price and be guarantor for the performance guarantee bond.

NOW THEREFORE, this guarantee witnesseth and the Bank hereby agrees guarantee.

1. If the supplier commits any breach of any of the terms and conditions of the contract or of the supply order and the Corporation declares that the Supplier has become liable to forfeiture of the security or any part thereof, the Bank hereby unconditionally and irrevocably agrees and undertakes and guarantees to pay to the Corporation on demand and without demure the amount of security money stated above without making any reference to the Supplier.
2. The Supplier has warranted to the Corporation as follows.
 - i) The supplier warrants that the goods supplied under this contract/order are free from all defects and faults in material, workmanship and manufacture and are of the highest grade and consistency in the established and generally accepted standards in materials of the type of equipment ordered and in full conformity of the contract/order specifications and drawings or samples, if any, and shall operate properly.
 - ii) The supplier warrants that the equipment shall perform satisfactorily in accordance with the specifications and the norms fixed by the Corporation for a minimum period of 12 calendar months from the date of commissioning of equipment or 18 months from the date of receipt at the site whichever is earlier.
 - iii) The supplier’s warranty in respect of any complaints, defects and/or claims limited to supply and installation or replacement of parts free of charge or the repair of defective parts only to the extent that such replacement or repairs are attributable to/or arise from faulty workmanship or material or design in the manufacture of the equipment, provided defects are brought to the notice of the supplier within 3 months of their being first discovered during the warranty period and in no case after one month from the date of expiry of aforesaid warranty period. The warranty period for replaced parts will extend to 12 months from

the date of replacement as envisaged by the warranty clause in this agreement/ order in respect of original supply.

- iv) The supplier shall, if required, replace or repair the goods or such portion thereof as is rejected by the Corporation free of cost at the ultimate destination or at the option of the Corporation, the supplier shall pay to the purchaser value thereof at the contract/order price and such other expenditure and damages as may arise by reasons of any breach of the condition specified in the contract/order.
 - v) All replacement and repairs that the Corporation shall call upon the supplier to deliver or perform under this warranty shall be delivered or performed by the supplier as quickly as possible but in no case later than one month failing which the performance guarantee bond shall be extended till such time all claims are settled to the entire satisfaction of the Corporation.
 - vi) The warranty of the supplier shall not apply to any material which would have been repaired or altered by the Corporation or on its behalf in any manner without informing the supplier in advance, if however, any such repair does not affect the strength performance or reliability the warranty shall continue to apply. Any defect caused to any part due to misuse, negligence or accident will not be covered by warranty.
3. If the supplier commits any breach of the terms relating to warranty and the supplier becomes liable to the forfeiture of the 10% of the bank guarantee or any part thereof, the bank hereby unconditionally and irrevocably agrees and undertakes and guarantees to pay to the Corporation on demand without demur and amount of bank guarantee stated above, without making a reference to the supplier.
 4. The bank further agrees that the Corporation shall be the sole judge of as to whether the said supplier has committed any breach or breaches of the terms of warranty and the extent of loss, damage costs, charges and expenses caused to or may be suffered by or that may be caused to or may be suffered by the Corporation on account thereof and the decision of the Corporation that the supplier has committed such breach or has not fulfilled the conditions of warranty shall be final and binding on the supplier and the bank.
 5. The bank further understand that it shall not be necessary for the Corporation to proceed against the supplier before demanding the aforesaid amount of bank guarantee from the bank or taking any proceeding against the bank and the guarantee herein contained shall be enforceable against the bank.
 6. The bank undertakes not to revoke the guarantee except with the prior consent of the Corporation in writing and agree that any change in the constitution of the supplier or the bank shall not discharge the liability of the bank herein.
 7. Notwithstanding anything, contained herein before the liability of the bank under this guarantee is restricted to Rs..... The guarantee of the bank shall remain into force upto 21 months from the date of execution of this Bank guarantee or till 3 months after the expiry of warranty period whichever is later. Unless the Corporation makes a claim from the bank in writing on or before the said period all rights of the Corporation under this warranty shall be forfeited and the bank shall be relieved and discharged from all liability hereunder.

PART- B

SECTION-1
TECHNICAL SPECIFICATIONS

Item No.	DESCRIPTION	REQUIRED TENTATIVE QUANTITY
1.	<u>V.B. Elevator (5 TPH,10 TPH/6 MDH)</u> Average throughput capacity on wheat basis /Discharge Height. Vertical Bucket Elevator Self-supporting centrifugal discharge,complete with all standard features including the following i.e dump hoppr, “V” Bottom Assembly, (not thinner than 3.2 mm). The Dump hopper shall be provided at height not higher than 0.4 M to 0.6M from the base of the boot & over all height should be within 1 Metre, Leg casing, head casing, Top plate for, ladder with safety case, rubberise belt, buckets, driver (suitable gear drives control with tropicalised TEFC electric motor and starter of BSI specification). Complete in all respect to give desired capacity including installation & commissioning.	5 TPH- 33 10 TPH- 6
2.	<u>Air Screen Seed Pre- cleaner</u> Average through put capacity 5 TPH & 10 TPH (on wheat basis) at 10% to 13% moisture content and 20% impurities. Air- screen seed pre-cleaner preferably having two screens for double scalping, one rough scalping and one close scalping operations. Sieves to separate chaff and other contaminants larger and smaller than seed size, with two stage aspiration system to blow out light material & Brush type system of cleaning sieves, complete with all standard features in all respect to give desired capacity stated above including installation & commissioning. Electric Motor of Kirloskar/Crompton make of standard size to work on 220V/440V, 50 HZ and starter of L&T/Crompton.	5 TPH -5 10 TPH-5
3.	<u>Air Screen Seed Cleaner cum Grader</u> <u>Aerage through put capacity on wheat basis- 2 TPH & 4 TPH</u> Air screen seed cleaner, two to four screen model, suitable for cleaning and grading of various crop seeds i.e. wheat, paddy, barley, gram, pulses, maize etc. Brush type system of cleaning sieves, complete with all standard features in all respect to give desired capacity stated above including installation & commissioning. Electric Motor of Kirloskar/Crompton make of standard size to work on 220V/440V, 50 HZ and starter of L&T/Crompton.	2TPH - 2 4TPH - 7

4.		<u>Indented Cylinder Grader - 4 TPH</u>	4 TPH- 7
		<u>Average through put capacity (wheat basis) 4 TPH</u>	
		Indented Cylinder Grader suitable for removing under size of short particles or differential in length out of clean seed mass not separated by seed cleaner, with all standard features such as Electric Motor of Kirloskar/Crompton make of standard size to work on 220V/440V, 50 HZ and starter of L&T/Crompton to give desired capacity stated above including installation & commissioning.	4 TPH- 3
5.		<u>Specific Gravity Seed Separator</u>	
		<u>Average through put capacity (4 TPH)</u>	
		Complete with all standard features including .5 MT Holding Bin one seed deck with wire mesh for separation of large size seeds like wheat, maize, peas etc. and one deck suitable for separation of small size seeds of vegetable and other crop like cauliflower, berseam, tomato etc. complete with all standard features such as Electric Motor of Kirloskar/Crompton make of standard size to work on 220V/440V, 50 HZ and starter of L&T/Crompton to give desired capacity stated above including installation & commissioning.	
6.		<u>Mist-o-matic Seed Treator (4 TPH)</u>	4 TPH- 4
	a)	Capacity – 4 Tonnes/hr. (Wheat) Seed treator capacity 4 tonnes/hr. (Wheat) complete with all Standard features including the following:	
	b)	Premix tank constructed of stainless steel of adequate capacity.	

7.	<u>Holding Bin 5 MT</u> Central discharge, square Storage/Bagging Bin of M.S. sheet metal to hold store all types of seeds. The Sides and the centrally located 45 degree hopper bottom are made of 16 gauge and 14 gauge M.S. Sheet respectively and are provided with appropriate angle iron bracings to give sufficient strength against the seed load. The bin is installed on suitable structure with manually operated rack and pinion/crew slide system to control the discharge (25 cmx25 cm discharge outlet) of the seeds. The clearance of discharge gate from the ground level shall be 1.50 Meters minimum. The bin is installed on suitable M.S. Channel legs suitably reinforced with angle iron bracings, with heavy-duty bolts and nuts to withstand the load of the bin and seed. 12 mm thick base plates are welded with main supporting channel legs, 1.91 cm dia. Holes shall be drilled in the base plate for foundation purposes. 5 mm thick M.S. Plates are welded at each corner inside the bin body where the channel legs are bolted with the bin to give sufficient strength to the bin body sheet against shear due to total load of seed and bin.	5 MT- 4
8.	<u>Air Compressor (200 ltrs)</u> Stage of compression – 2 stage Displacement volume – 7.5 to 10 cfm Working pressure - 7.5 Kg. per CM2 Air Tank Capacity - 200 liters fitted with tropicalised electric motor of TEFC type meeting BSI specifications and of standard make for operation on 440 volts, 3 phase, 50 cycles AC supply, complete with electric controls of Kirloskar/Crompton starter.	200 ltr- 6
9.	<u>*Complete Processing Lines 4 TPH & 8 TPH</u>	4 TPH - 2 8 TPH - 2

***Complete each processing line consists of following equipment:-**

S.No.	Description of item	Capacity of line (4 TPH)		Capacity of line (8 TPH)	
		Capacity of equipment	Qty.	Capacity of equipment	Qty.
