SECTION - I

INSTRUCTIONS TO TENDERER

1. The tenderers are advised in their own interest to carefully read the tender documents and understand their purport unless the tenderer specifically states to the contrary in respect of any particular clause, it shall be presumed that he accepts all the terms and conditions as have been laid down in the tender document.

2. **Tender must be submitted in the tender form provided in part “B” of the tender document as Section-III.** The tenderer may attach additional sheets to the tender form wherever detailed description is necessary **.Only that party should tender who accepts all the terms & conditions because conditional tender may be treated as void.**

3. Erasure or alteration in the bid document should be avoided. Modification, erasure or alteration, if any, should bear the signature of the person signing the bid along with stamp of the tenderer. Any modification not so signed will be ignored and the whole tender may be treated as a void on this ground.

4. **Normally no deviation from the specification laid-down in part “A” will be accepted.** However, if the tenderer feels that he can supply the items, which shall be fulfill the requirement of NSC with different specifications, the tenderer should describe as to in that respect and to what extent the item offered by them deviates from the specification even though deviation may be minor.

5. **The tenderer should carefully note the delivery period described in clause 5 of section - II.** The delivery period so specified will be the essence of the contract. It would be clearly understood that any delay in delivery will cause unascertainable damages to the Corporation. Only those parties should tender who are in a position to stick to the delivery prescribed. Their attention is also invited to clause-13 of section-II relating to liquidated damages which shall be binding.

6. The tenderer may furnish the list of actual users of the item quoted, for the reference. Copies of purchase orders secured during last two years should be enclosed.

7. **Quotation of prices:**

Tenderer shall give a final firm and net per unit price free from all escalation. Request for increase in price will under no circumstances be considered after opening of the tender. For the purpose of comparison and evaluation of bids, the tenderers are required to quote their rate items-wise & unit wise as indicated in part- A of the tender documents and should be given strictly in a manner as indicated in the annexure-A of Section-III of the part ‘B’ of the tender document as under:

A) The rates should be quoted on the basis of F.O.R. Destinations door delivery as specified in Section-VI. In case of full truck load/part load F.O.R. Destination will mean delivery at NSC’s Go down at the destination station. The unloading charges shall be borne by NSC. Octroi charges incurred, if any, shall be borne by NSC and will be reimbursed by Corporation on production of documentary evidence. In case, the Corporation requires the material at some other destination station other than specified in Section-VI referred to above and in case the distance of such new destination station from the supplier’s place of dispatch is higher than the distance between supplier place of dispatch to the highest distance among the destination prescribed in Section-VI referred to above, corporation shall be prepared to pay any extra transportation charges on proportionate basis.

B) If the rates quoted by tenderer are exclusive of sales tax, general tax, central sales tax or any other taxes or levies, which are payable in addition, the exact rate at which they are payable should be shown clearly in the tender. In the absence of clear indication that these levies are payable in addition to the rates quoted, it will be assumed that rates are inclusive of all taxes and no extra taxes will be paid. If 'C' Form or any other Form is required, it should be clearly indicated in the tender.

8. **Samples:** Two samples of each of the quoted items should be sent along with the tender otherwise offer will be rejected. Sample once submitted will not be returned. The sample is being invited for better appreciation of the tenders. However, the tenderer shall be bound to supply the material strictly according to the specifications prescribed in Part-'A'.
