6. The land will be assigned to the tenderer on "as is where is" basis and reclamation/development work required, if any, shall be carried out by the Tenderer at his cost.
 - a) In case where farm has carried out any mechanical operations in the plot, then tenderer has to pay the cost of expenditure incurred by the farm towards the mechanical operations done in the particular plot.
7. The irrigation water for raising the crops will be made available as per the availability of water in the Canal/ PO. However, in case shortage of water is felt, the Tenderer will be allowed to lift water from the adjoining farm tank to meet out the irrigation requirement at his (Tenderer's) cost. While lifting of water from the tank, the

Tenderer will ensure to maintain the minimum of 5 Ft. water level from the bottom of the Tank.

8.
 - a) Selection of crop/varieties/class will be the sole discretion of the farm authorities and the Tenderer will abide by the same.
 - b) If farm not distribute the seed production programme due to some reasons, than in such situation the programme allocation of commercial crops may be awarded to the farmers to utilize the available resources at farms. The farm share of the commercial crops product will be kept and the tenders share will be returned to the party. The farmers share payment will not be made by the farm in the case of allocation of commercial crop programme.
9. The Tenderer has to hand over whole quantity of produce to the farm. The tenderer will have to share a percentage of raw seed with the farm towards the land and water utilization, which will be decided through tender by the farm authorities on basis of maximum percentage offered as farm share. The farm will return the tendered share and reimburse the same in lieu of cost of inputs and maintenance of the crop as details below –
 - a. The produce (Tenderer's share) of the crop i.e. Paddy, Redgram, and Bengalgram etc. for which Minimum support price (MSP) is declared by GOI, will be taken over at par with the rate of MSP. If any Bonus on MSP is given by the Central or Karnataka Government, the same will be added in the amount to be reimbursed
 - b. The raw seed (Tenderers share) of any other crop for which MSP is not declared by GOI, will be taken over at the average price in the nearest APMC of concerned crop. The average price will be determined by taking average of maximum and minimum rate of concerned crop during peak arrival period for 30 days. The peak arrival period of the crop to be considered will be accordance with the latest procurement policy of the Corporation.
 - c. The raw seed (tenderer's share) of the Jute/Maize and vegetable crops will be procured on the rate 20% less of procurement price of R.O. Secunderabad. If the procurement price of any crop is not available at R.O. Secunderabad, the PP will be finalized as per the PP of the Corporation. Advance payment to the farmers will be released as per PP of the Corporation.
 - d. If the seed crop is affected by rains or other vagaries of weather at the time of maturity or post-harvest operations, and the raw seed is damaged/discolored/spoiled etc. In such circumstances, the farm will not take over the tenderer's share of produce and return the same after retaining farm's share from total produce. Thus, nothing will be reimbursed on account of tenderer's share.
 - e. On physical inspection of raw seed at the winnowing centre, if the extent of impurities like damaged/discolored/insect damaged/shriveled grain/mud particles etc. is found on higher side i.e. more than 15% then, such lots will be liable to be cleaned by the tenderer at his (tenderer) cost upto the extent that the non seed must not exceed 15% in raw seed to be handed over.

The non-seed so received, if any, will be returned to the concerned party after retaining the quoted farm share respectively.

- f. The non-seed material of the tenderer received as combine mixture or rouged material at winnowing centre will be returned to the tenderer after retaining the quoted farm share respectively.
10. The supply of Planting Material of any category i.e. T/L, C/S, F/S, B/S, N/S will be made by the farm at the prevailing sale price of Certified Seed on the following payment terms :-
 - 50% of the Planting material has to be given on cash basis at the time of supply of Planting material.
 - 50% of Planting material will be given on credit basis which will be settled at the time of final payment.
11. The Tenderer will have to arrange for all inputs like seed, fertilizer, pesticides, machinery/implements and labour etc. and in case Tenderer collect Fertilizer/Pesticides from farm , the cost of same will be realized from the concerned Tenderer alongwith 5% surcharge on the amount. All expenses of seed production excluding certification charges (except vegetable crops) shall have to be borne by the tenderer.
12. All agricultural operations like land preparation, nursery, raising, transplanting, fertilizer/pesticide application, rogueing, harvesting/threshing, transportation of produce to the threshing floor, drying (up 12% moisture), bagging and weighment of raw seed and shifting to godown etc. shall have to be carried out by the Tenderer at his (Tenderer's) cost as per directions of farm authorities. However, the packing material and internal transport at winnowing centre shall be provided by the farm.
13. If any schedule operation is not carried out by the tender at appropriate time, the farm will have the right to conduct the operation at the risk and cost of the operation with 5% supervision charge will be deducted from the final amount to be reimbursed. If he repeats the same three times in a season, then, his agreement will be cancelled without giving any notice and his security deposits will be forfeited. Further he will also be debarred for participation in future tender including forfeiture of his security deposits.
14. Farm will release 80% advance payment on MSP/Mandi rates (wherever MSP rates are not available/fixed) on the produce delivered to the farm (tenderer share qty.) and balance 20% after finalization of rates.
15. The tenderer has to adopt Integrated Pest Management practices in the maximum area.
16. The tender has to use fertilizers and nutrients as per soil testreport .
17. The tenderer has to be use biofertilizer and green manure ina maximum area.
18. If the farm ought to accept the raw seed with excess moisture content because of bad weather, the farm will have the right to impose proportionate moisture cut on the weighment.
19. The tenderer will have to maintain isolation distance and to arrange rogueing in the assigned fields as per specifications at his (tenderer's) cost. If he fails to do so, the farm will arrange rogueing at the cost of tenderer. If the farm ought to re-offer the area because of poor rogueing, the tenderer will bear the re-inspection fee. In case of rejection of field by certification authorities/QC officials due to presence of high admixtures beyond limit as assessed by the farm committee, the tenderer share of the crop produce will be returned to the tenderer by retaining the farm share.

20. Machinery/implements available at the farm can be used by the tenderer at the rate(s) fixed by the farm if the same can be spared on hire basis.
21. The tenderer will be liable to arrange entire security of the assigned crop/fields/produce from sowing to hand over the produce.
22. The tenderer or his representative will not cause any damage to the movable or immovable property of farm directly or indirectly. Any loss or damage to such property as assessed by the farm authorities shall be recovered from the tenderer.
23. The tenderer will have to arrange for cleaning/de-silting of related distributary/outlet or water course in the allotted area at his cost.
24. The farm will have no liability on account of any accident/damage/loss of man and material of the tenderer during the course of various operations and all legal and other responsibilities on account of the same will be of the tenderer only. The tenderer will abide by the labour rules and regulations. If the farm ought to pay any compensation on behalf of the tenderer, the farm will have the right to deduct the same from his final amount to be reimbursed.
25. The Tenderer will submit a list of his supervisors/representatives engaged.
26. The Tenderer will be responsible for any indiscipline/illegal act of him or his engaged personnel. They are liable for legal action for any misconduct or illegal action.
27. The tenderer will pay income tax/service tax or any other levy applicable under rules & if he is not registered, then such charges shall be paid by NSC and same will be recovered from the tenderer.
28. Tenderer will not construct any permanent structure at the farm and he will not be allowed to keep any animal within the farm area.
29. The farm can reduce/withdraw any part of assigned area as per the requirement of the farm.
30. If the assigned area could not be sown due to the reasons beyond control, the farm will return the security of the tenderer only and no operational cost if any will be reimbursed thereafter.
31. The tenderer will not sub-let the area of land allotted to him for seed production purpose.
32. Tenderer will have to sign an agreement for these terms & conditions on non-judicial stamp paper of Rs. 100/- to be purchased by them. The original agreement will be kept with the farm and a certified copy of the same will be given to the tenderer.
33. The tenderer cannot take raw produce from the farm except with the prior permission of the farm director.
34. The tenderer will have no right on the crop residues like straw/stems/debris after harvesting and he will not be allowed to lift the same.
35. The farm Director reserves the right to accept or reject any or all offers received and also to cancel a part of whole tender process without assigning any reason.
36. If the tenderer fails to fulfill the terms and condition of this agreement because of any unpredictable, uncontrollable and undiagnosed natural calamity/disaster/conditions, in such circumstances, the decision will be taken by the farm committee after assessment which will be accepted by both the parties.

37. In case of my death, Mr/Miss/Mrs/Master_____ S/O, D/O, W/O_____ treated as Nominee and any payment lying in the NSC may be paid to him/her on account of this agreement.
38. The successful tenderer should furnish an affidavit on a non-judicial stamp paper of Rs. 100/- for appointing nominee for the share basis seed production at CSF, Jawalagera during the year 2022-23 along with the agreement bond.

ARBITRATIONS

In case of any dispute arises between NSC and the other party due to any term or matter, both the parties will opt to resolve it through mutual understanding and discussion. In case, dispute remains even after discussions, then it shall be binding upon parties to resolve issue under the provisions of Arbitration and Conciliation act 1996 as amended from time to time. Under this provision, the Chairman-cum-Managing Director, National Seeds Corporation Limited with the concurrence of both the parties shall appoint Sole Arbitrator to resolve the issue and both the parties will have to abide by the decision.
